# INSURE RIGHT BRIEFING EVENTS.

## GOT YOUR INSURANCE RIGHT AND AT THE RIGHT COST?

Come to our Risk Management & Insurance briefing seminars in Adelaide, Brisbane, Darwin, Hobart, Perth, Melbourne and Sydney to learn how we can help you make sure your risk management and insurance strategies are right for you.

You face inherent risk in all you do and while insurance can be a quick and conventional solution, it can also be extremely risky if poorly structured.

Now, you can make sure your insurance and risk management strategies are right for you by getting a thorough check up and benefiting from independent advice and expertise available from our Risk Management & Insurance Division\*, an important new resource for all Procurement Australia members.

We've set up this Division to offer truly independent and quality factual advice. Our aim is to support you through the complex and costly exercise of selecting the most suitable insurance and risk transfer programs, and get the most out of your risk capital expenditure while covering all your risks.

### **The Division offers five key services:**

- Technical Coverage Review.
- Management of Insurance Tenders.
- Benchmarking.
- Service Level Evaluation.
- Risk Management,  
Local Emergency Management Plan Review,  
Technical Expertise and Ongoing Advice.
