

PROCUREMENT AUSTRALIA HAS COMMITTED TO UNDERTAKING GREENBIZCHECK CERTIFICATION.

GreenBizCheck is a global technology based CSR certification program suitable for most organisations. The GreenBizCheck program helps organisations to quickly implement sustainable environmental practices which **save money, conserve energy, water, resources** and **minimise waste**.

Procurement Australia has undertaken an initial assessment and is pleased to have received a Bronze certification.

We will continue to utilise the GreenBizCheck framework to achieve a Gold certification.
