

**Procurement  
Australia**

## Procurement Australia is pleased to announce that we are continuing to partner with CIPS Australasia to offer special saving rates on membership.

The Chartered Institute of Procurement & Supply (CIPS) is the peak industry body for the procurement profession globally, dedicated to promoting best-practice, continuous improvement in professional standards and raising awareness of the contribution procurement and supply management can make to organisations.

### CIPS aims to benefit the procurement profession by:

1. Acting as a voice for the profession;
2. Helping individuals become better professionals;
3. Helping organisations improve their procurement practices; and
4. Building the global body of knowledge for procurement and supply management
