

# A fuel card that puts fleet owners in the driver's seat.

OneCard offers the freedom to fill up at any petrol station, saving you time and putting you in control.

Procurement Australia has partnered with Fleet Card, one of Australia's Leading fuel cards for the retail supply of fuel to bring you OneCard.

With OneCard, you don't have to drive around looking for a compliant petrol station, you now have the convenience of choosing whichever is closest, or whichever is offering the best fuel price on the day.

## Features and benefits:

### Convenience

OneCard is accepted by over 90% of service stations across Australia so there'll always be somewhere close-by to fill up.

### Monthly Reporting

OneCard helps manage your fleet with ease by providing a monthly fleet management report showing fleet analysis, greenhouse data and BAS information all on one consolidated tax invoice.

### Unlimited Savings

Save a minimum of 4.4 cents\* per litre at the pump or save even further by choosing the best fuel price you find along the way as you're not limited to buying from certain petrol stations.

### Total Control

Cards can be restricted for fuel expenses only or they can be customised to allow for other expense categories.

For an obligation free cost benefit analysis to see if this contract is suitable for you, contact your Procurement Australia relationship manager.
