2019 Energy Portfolio – Member Briefing

Dear Procurement Australia member,

At Procurement Australia, WE GET ENERGY.

As one of the largest energy aggregators in the country, our team of experts know we can work with you to get your energy contracts in the best possible shape by delivering real solutions and benefits. Our portfolio covers gas and electricity for both small and large markets, as well as public lighting – and our contracts are just as diverse. So you can be sure you're getting the right solutions for your business.

Join us for our Energy Seminar:
